These are only the terms and conditions which are binding upon a Seller with the exception of those otherwise agreed in writing by the Seller which are imposed by a statute as the Competition and Consumer Act 2010 (Cth) and which cannot be excluded. Any direction by the buyer either verbal or written to procure goods or services from the Seller will be deemed as acceptance by the Buyer of these terms and conditions, despite any provisions to the contrary in the direction or any purchase order issued by the Buyer.

2. Terms Of Payment

Payment to the Seller for goods delivered and accepted is due within 30 calendar days of the end of the month in which the Buyer is invoiced for the goods. If the Buyer fails to make payment in accordance with this clause, all amounts owing by the Buyer to the Seller named in the Sales Invoice and any other Seller on any account shall immediately become due and payable. Each outstanding amount shall bear interest of the rate of 10% per annum on a daily basis from the day it falls due until the day it is paid.

3. Costs Of Recovery

The Buyer shall pay the Supplier for all costs actually incurred by the Supplier in the recovery of any monies owed by the Buyer to the Supplier under this Agreement including recovery agent costs, repossession costs, location search costs, process server costs and solicitor costs on a solicitor/client basis.

4. Inspection and Acceptance

The Buyer shall inspect all goods upon delivery and shall within two (2) business days of delivery give notice to the Seller named in the relevant Sales Invoice or of any matter or things by which the Buyer alleges that the goods are not in accordance with the Buyer’s order. Failing such notice, subject to any non-excludable condition implied by law, such as those in the Competition and Consumer Act 2010 (Cth), the goods shall be deemed to have been delivered to and accepted by the Buyer.

5. GST

The parties agree that:

- a. The Purchase Price is inclusive of GST.
- b. All other Payments have been calculated without regards to GST.
- c. Each party will comply with its obligations under the Competition and Consumer Act 2010 (Cth) when calculating the amount of any Payment and the amount of any relevant Payments will be adjusted accordingly.
- d. If the whole or any part of any Payment is the consideration for a Taxable Supply (other than for payment of the Purchase Price) for which the payee is liable to GST, the payer must pay to the payee an additional amount equal to the GST Amount, either concurrently with that Payment or as otherwise agreed in writing.
- e. Any reference to a cost or expense in the agreement excludes any amount in respect of GST forming part of the relevant cost or expense when incurred by the relevant party for which that party can claim an Input Tax Credit; and the payee will provide to the payer a Tax Invoice.

I agree to the Terms and Conditions as laid out on this page.
